

North Florida Bicycle Club Centurion Challenge

The NFBC has thrown down the gauntlet: **"Ride at least one century per month"**

Here are the rules:

1. You must be a member of the NFBC to participate.
2. A century is any ride of 95 miles or more. Metric centuries do not count.
3. Any century will count. This includes both club rides and other organized centuries such as the TOSROV, Horsefarm 100, Swampman, Tour de Cure century, MS 150 century, Six gap, etc.
4. To receive credit for a century, you **MUST** print out this page and submit a copy of the Century Submission Form below for each century ridden. You can do this by mail or email. The submission must include the "Cyclist's Oath" below. Centuries must be submitted within 30 days of the ride.
5. Records will be kept of all centuries ridden each month.
6. Centurion patches will be given to those who ride at least one century every month. The Alpha Centurion Male and Alpha Centurion Female (those riding the most centuries in the year) will be recognized at the annual banquet.
7. You may be requested to do a little write up for anything out of the ordinary for Wheelspeak.
7. We may make changes to these rules as needed during the year.
